“NOT MY CHILD”

Learn strategies and the appropriate conversation for elementary aged children to prevent future misuse of substances in your family. Why does an adolescent self-medicate; why are teenagers overwhelmed, experiencing stress and depression; party behaviors can start the progression toward addiction; what is a parenting tool-kit?

Addiction is preventable; please consider being part of the conversation, together we can promote solutions for our families and Pasadena communities.

Guest speakers: Nancy Schrum, Director Constituent Services, County Executive Office
Jennifer Bender, Teacher, AACPS
Jen Corbin, Director Crisis Response
Kesha Brooks, Prevention Education, Pathways, Anne Arundel Medical Center
Karen Siska, Director of Nursing, Bureau of School Health and Support
